Qualifying transaction will only be tracked in the milestone tracker upon successful enrolment into the Wallet Milestone Challenge. Any spend made before the enrolment, will not be tracked in the milestone tracker.

**8. What is a “Qualifying Transaction” for “Wallet Milestone Challenge 2.0” Campaign?**

- (i) A "Qualifying Transaction" on EZ-Link Wallet with Mastercard is any successful transaction **that falls under the following merchant categories:**

Transaction (merchant) categories are automatically categorised according to the Merchant Category Code (MCC). The MCC determines whether the transaction qualifies as a Qualifying Transaction. MCCs are assigned by payment card organisations (e.g. Visa, MasterCard, American Express). A merchant’s registered MCC may not always correspond with its nature of business. Therefore, we cannot guarantee that a transaction will qualify as a Qualifying Transaction.
